WELCOME TO KENORA.

Kenora is more than just a place to work - it's a place to thrive.

Nestled along the stunning Lake of the Woods, this vibrant community offers a relaxed, fulfilling lifestyle where work-life balance is truly achievable. Whether you're drawn to boating, fishing, or exploring scenic trails, Kenora provides endless opportunities to unplug and recharge. The close-knit community fosters strong connections, making it an ideal place to raise a family with excellent schools and a safe, welcoming environment. Low cost of living, a rewarding professional environment, and easy access to Winnipeg means Kenora offers the best of both worlds — a fulfilling medical career in a breathtaking setting.

PRACTICE PROFILE

The Psychiatry Department at Lake of the Woods District Hospital (LWDH) in Kenora offers a rewarding full-time opportunity within a supportive, collegial, and community-centered environment. Psychiatrists provide a dynamic mix of inpatient, outpatient, emergency, and on-call coverage, supported by a strong interdisciplinary team:

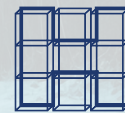

- Inpatient service on the Psychiatry Unit, where psychiatrists serve as MRP for all admissions.
- Daily multidisciplinary rounds, ED consults prioritized to minimize wait times, and consult support for medical/surgical inpatients.
- On-call duties for LWDH (24/7 coverage) and regional transfer requests from surrounding communities (0700–1500).
- Locum opportunities available through Health Force Ontario's Northern Specialist Locum Program.

INCENTIVES & RECRUITMENT SUPPORT:

- Up to \$120,488 in financial incentives through the Northern Rural Recruitment & Retention Initiative (NRRRI) for a four-year commitment
- Relocation support, and assistance with travel and accommodations

QUALIFICATIONS

- CPSO Independent registration with (or eligible for)
- FRCPC (Psychiatry) with or without subspecialty

Lake of the Woods District Hospital

- Lake of the Woods District Hospital (LWDH) is a 77-bed acute care hospital in Kenora, Ontario, located on Lake of the Woods.
- Staffed by a dedicated team, LWDH provides patient-centered care to local residents, nearby communities, and seasonal visitors.
- Accredited with Exemplary Standing by Accreditation Canada.
- Emergency Department (ED) operates 24/7 and includes a Nurse Practitioner (NP) Service (since 2023) to manage seasonal surges and reduce wait times.
- Outpatient services include:
 - Rehabilitation, dialysis, chemotherapy, surgical services;
 - Diagnostic Imaging Centre of Excellence with nine gold standard modalities;
 - Visiting specialists & Mental Health & Addictions programming;
- 24-hour air ambulance and medical transport by Ornge.
- A new hospital is being planned in partnership with Ogimaawabiitong Kenora Chiefs Advisory, Ontario Ministry of Health, and local communities.
- Population served: Approx. 35,000 year-round (including 10 First Nations and rural communities), growing to 70,000+ in summer months due to tourism and seasonal residents.
